## Subject Preview

Dear Parents,

Thanks to all the parent chaperones that came along with us on our field trip. I was so proud of our students, all that they knew, and how well they behaved. We had beautiful weather. It couldn't have been a better day!

The end of the year always brings sadness and joy. We are excited for summer and yet another year has flown by. I have truly enjoyed having your children in my class this year. They are a class that enjoys being together and it has been great getting to know each of them. It is sad to let them go, but they are ready!

Lastly, I want to thank all of you. Without the support of parents like you, my job would be much more difficult. We are blest at this school to have so many involved parents who really care about their child's education.

Enjoy your summer!

Mrs. Battles ☺
