I would like to begin by saying “Thank You”. I appreciate that you could attend your children’s conferences. I enjoyed sharing the accomplishments of your children with you.

I appreciated the opportunity to learn more from you about your child. Throughout the year, I hope that you will feel free to come to me with any comments, questions, joys, or concerns that you may have about your child and his/her education.

### Our Five Senses

This week we have been learning about the five senses that we use to explore the world around us. The children seem to be quite interested in this topic. You may want to ask them about the experiment that they did where they learned about how important it is to be able to smell something to be able to taste it. (sampling a cookie while holding their nose closed).

This week we have also talked about how each person has been created by God as a unique individual. We discussed the fact that we all have one-of-a-kind fingerprints.

Finally, we will plan to learn about Dr. Martin Luther King and Rosa Parks and the role that they played in trying to help others gain equal rights in peaceful ways.
