

Mrs. Smisek's Fifth Grade News

Week of May 17-21

Dates to Remember

May 18- Final visit to Pleasant Manor at 10:30 A.M.
Thank you to Sue Cephlecha-Novak for driving
and chaperoning.

May 21- Dress Code Reward Day

*All students must have their materials for their solar ovens by Monday. This includes a box and any additional materials they want to use. I will provide foil and Saran wrap. They should also have their design idea researched and planned by then.

A Quick Peek

Science-We are finishing our study of energy. Students will be observing their UV bead bracelets. They thought of other ways to test them over the next few weeks. Students should be studying for their chapter test which will be late next week.	Reading-Thank you to all students who completed their book reports on time. We are continuing to read <u>Island of the Blue Dolphins</u> and learn new vocabulary words along the way. Remember to study the words in your red booklets.
Religion- We have completed our last unit on the Commandments. The open book/open note unit test is on Monday.	Spelling-The skill for Unit 34 is 3-syllable words. The unit is assigned Monday and due Wednesday. Test will be Friday.
