

**DIVINE MERCY**  
CATHOLIC SCHOOL

## *The “Good News” about DMCS!*

***This is what our families are saying....***

### **Faith Based Instruction**

- ***We worship God freely!***
- ***Students attend child-focused weekly Masses and are involved throughout the Mass***
- ***The focus of all instruction is centered around our faith***
- ***Our discipline policy reflects Christ’s example – we are aware of discipline concerns, respond to them, and resolve conflicts together, the students, staff and teachers working toward a resolution***
- ***We are accepting of our differences and loving to one another***
- ***Students learn responsibility and caring for others***
- ***Involvement beyond Academics!*** Children receive a strong Catholic foundation and moral based values. The participation of the children in mass instills pride and encourages stewardship. The priests frequently interact with the students; from music concerts, to the marathon, to playing basketball on the playground.
- ***We believe the moral-based values instilled at DMCS will last a lifetime and are priceless.*** The rewards greatly outweigh the financial sacrifice.
- ***Our school upholds high standards of behavior***

### **Engaged Learning**

- ***Differentiated instruction*** - reaching every student in the classroom
- ***Teaching tools that lead to success*** in reading and writing for every child (Project Read)
- ***Art Adventures and art class*** that teaches beyond coloring and paper
- ***Our teachers love teaching!*** Their longevity shows their love for the students and our school
- ***Music and fine arts***, with lessons on string, piano, band, recorder, song, plays and great performances
- ***Specialists*** in physical education, computer, library, music, sports and extra-curricular activities
- ***After school care*** through our latchkey program
- ***Our kids receive more than an education at DMCS!*** Dedicated Staff teach to the whole person.
- ***Pride Folders help students develop independence and responsibility.*** Sent home weekly; they help keep parents informed, set high standards for behavior, and encourage good choices.

### **A Community of Support**

- ***Parents are involved and encouraged*** to be active participants
- ***We are all a part of our school family*** and it shows!
- ***At DMCS there is a sense of belonging and community.*** It is truly a caring place where students discover themselves (strengths and weaknesses) and become well rounded involved individuals.
- ***The students develop special relationships beyond the classroom.*** The teachers, staff, volunteers and environment surround the children with encouragement and support. They are paired up annually with Bethlehem Academy buddies and share special time with these older students throughout the year.
- ***Divine Mercy Catholic Church*** supports our school and is an extension of our school family

### **Service Learning**

- ***Each month DMCS students sponsor “Caring and Sharing” programs and throughout the year they participate in various service projects.*** The programs make students aware of others less fortunate.
- ***Creating better people in the future and lifelong service.*** Nursing home visits, Sharing and Caring, Community Projects, World-wide Relief, Pennies for Patients, Boy & Girl Scouts...

**Students say...** *We have trustful and nice friends...We read books and have great teachers...We do fun projects...The teachers are always there to help us...Students are helpful when we get hurt...Our gym class is great...Music and computer are awesome...we love our science...we are a family that prays every day.*
